

GIRL TALK! 2019

A Smart Girl Makes Smart Choices

Smart Girls Smart Choices is a nonprofit organization that dedicated to providing the resources necessary to embolden young girls to make positive decisions that maximize their full potential. During the teen years many adolescents encounter new experiences that may present challenges associated with academics, friendships, peer pressure, sex and even substance abuse, research has shown that teens who engage in prevention and intervention activities, such as those that we provide are less likely to participate in risky behaviors.

WE ARE COMMITTED TO ENSURING THAT YOUNG GIRLS REALIZE THEIR SELF-WORTH. IN ORDER TO GAIN A SENSE OF HOPE AND ENTEGRITY.

OUR PROGRAMS ARE DESIGNED TO ENCOURAGE OUR PARTICIPANTS TO THOUGHTFULLY DEVELOP, ARTICULATE AND ACHIEVE THEIR ASPIRATIONS.
